

STAR ANGELS CONSTRUCTION PLC

1. About Us

Star Angels Construction Finishing PLC was founded in 2016 by three brothers: **Yared Kebede**, **Hibst Kebede**, and **Henok Kebede**.

The company's journey began with Yared Kebede recognizing a growing demand for high-quality construction finishing services. The company was envisioned to deliver superior results while fostering teamwork and unity, built on the principle of productivity and collaboration. What began as a simple desire to create a business based on productivity, trust, and quality has evolved into a thriving construction finishing company. Today, Star Angels is known for delivering exceptional results on every project, driven by values like innovation, teamwork, and a relentless commitment to excellence.

Their daily actions are guided by their core values, and their commitment to outstanding job completion, exceptional customer service, and superior safety performance has made them a partner of choice in the construction industry. They aim to elevate spaces with stellar finishes, acting as artisans of exceptional spaces.

2. Meet Our Team

Message from Leadership:

"Dear Clients and Partners,

Welcome to STAR ANGELS CONSTRUCTION PLC!

Since 2016, our company has been built on a commitment to quality, teamwork, and superior service. Our goal is simple: to deliver superior construction finishing services that exceed your expectations. We look forward to partnering with you.

Elevate Your Spaces with Stellar Finishes."

Key Management & Organizational Team:

- **Yared Kebede** — General Manager (GM)
- **Hibst Kebede** — Vice Manager
- **Henok Kebede** — Auditor
- **Birhanu Abate** — Quality Manager
- **Meskerem Kebede** — Marketing Manager
- **Meron Yeshiwond** — Architect

3. Company Vision, Mission, and Core Values

- **Vision:** To be the leading provider of construction finishing services, renowned for their expertise, reliability, and unwavering dedication to excellence in their beautiful city Addis Ababa.
- **Mission:** To deliver superior construction finishing services that exceed expectations, creating spaces that inspire and enhance lives.

Core Values:

1. **Quality:** Prioritizing meticulous craftsmanship and using only the finest materials to ensure lasting beauty and durability.
2. **Innovation:** Embracing cutting-edge techniques and technologies to provide unique and creative solutions.
3. **Customer Focus:** Valuing clients' needs and preferences, working closely with them to achieve their desired outcomes.
4. **Integrity:** Conducting business with honesty, transparency, and ethical practices.

4. Goals & High-Level HSE Objectives

Company Goals:

1. **Operational Excellence:** Ensure all projects are completed on time, within budget, and to the highest quality standards.
2. **Strategic Growth:** Be the leading provider of construction finishing services and develop long-term strategies for company growth and improvement.
3. **Financial Health:** Maintain strong internal controls, track financial health, and ensure the company remains financially efficient.

High-Level HSE (Health, Safety & Environment) Objectives:

- **Zero Accident:** Achieve Zero LTI (Lost Time Injury) and Zero TRIR (Total Recordable Incident Rate).
- **Training:** Target to have 100% of personnel complete respective HSE training.
- **Gap Closure:** Target to have 100% of gaps (from near misses, audits) closed by the due date.
- **Imminent Danger:** Increase hazard recognition and prevention activities (e.g., conducting toolbox meetings every day and communicating lifesaving checks).

5. Competitive Advantages

1. **High-Safety, Specialized Execution:** We employ an innovative access system using parachutes for external finishing work on high-rise buildings. This method provides a higher level of safety compared to the risk-taking, traditional use of construction winches, ensuring superior safety performance for our crew while maintaining project efficiency.
2. **Quality and Craftsmanship:** Our reputation is built on unwavering commitment to quality and meticulous craftsmanship. We use only the finest materials and apply cutting-edge techniques in painting, decoration, and cleaning to deliver long-lasting, aesthetically superior finishes that consistently exceed client expectations.
3. **Deep High-Rise Expertise:** We possess specialized, deep expertise in the complex environment of high-rise construction. Our experience spans large-scale commercial and residential projects, allowing us to expertly manage unique logistical and technical challenges of vertical development, as demonstrated by our successful project portfolio.
4. **Client-Focused Integrity and Teamwork:** We operate with strong Integrity and Customer Focus, ensuring transparency in all dealings. Our success is underpinned by

the collaborative strength of our team, which works diligently and ethically to prioritize client needs and achieve desired project outcomes, fostering trust and lasting professional relationships.

6. Our Services

- **High-Rise Painting**
 - *Explanation:* Involves all necessary preparations and stages for protective and aesthetic coating on high-rise facades, including putty coating, primer coating, and final paint application.
 - *Specialty:* Uses an innovative, high-safety parachute access system—a major safety improvement over traditional construction winches.
- **External Plastering**
 - *Explanation:* Application of protective and finishing layers of mortar to exterior walls to prepare surfaces for painting or decorative finishes, ensuring smoothness, durability, and weatherproofing.
- **Facade Renovation**
 - *Explanation:* Comprehensive restoration and modernization of existing building facades, including structural assessment, repair, cleaning, waterproofing, and cladding/finish reapplication.
- **Glass and Aluminium Solution**
 - *Explanation:* Fabrication and installation of aluminum windows, doors, curtain walls, partitioning systems, and architectural glass (tempered, insulated) for modern exteriors and interiors.
- **Consultancy**
 - *Explanation:* Advisory services covering material selection, cost optimization, design integration, and safety planning for efficient finishing execution.
- **Structural Cleaning**
 - *Explanation:* Post-construction clean-up and specialized high-rise external window and facade cleaning using certified safety protocols.
- **Ceiling Work**
 - *Explanation:* Installation of gypsum board ceiling systems (local and imported China board), including structural framework, board installation, and finishing.
- **Ceramic Work**
 - *Explanation:* Precision installation of wall and floor ceramic tiles, including substrate preparation, laying, grouting, and filler finishing.
- **Decoration**
 - *Explanation:* Tailored interior and exterior aesthetic enhancements designed to elevate architectural aesthetics.

7. Project Portfolio & Track Record

- **La'Gahare Project** (Under Construction)
- **Eagle Hills Project** (Completed / Ongoing High-Rise Finishing)
- **East African Holding** (Multiple High-Rise Developments)
- **Piassa Project** (Urban High-Rise Finishing)
- **PPP Project** (Public-Private Partnership Infrastructure)
- **Tor-Hailoch Project** (Commercial & Residential High-Rise)

- **Anbessa Project** (Major Structural Finishing)
- **Various Projects Across Ethiopia:** Over **50 total projects** executed nationwide with a **98% Client Satisfaction Rate**.
